

The Pink Olive Open Bar

Full Wedding Planning

Starting at **\$14,000.00**

OVERVIEW

This service is for the couple who has no idea where to even begin; it allows you as much creative license as you desire, while we do all the legwork to make your vision a reality. Just like a real open bar, you don't have to think about anything except the fun stuff.

DETAILS

If you were thrilled at the prospect of being engaged, but now the reality of planning a wedding seems like an insurmountable task, we've got you covered. This service is for the couple who has no idea where to even begin. Lucky for you, this is where we shine. With this service, you have as much (or as little) creative license as you desire, while we do all the legwork to make your vision a reality. Just like an open bar, you don't have to think about anything except the fun stuff.

From venue search to the last dance, we'll be there every step of the way.

Includes:

- Immediate access to our exclusive event planning portal
- Monthly planning calls with itemized agendas
- A customized task list to help keep you organized and in-the-know
- Assistance creating a theme and/or color scheme that can be incorporated seamlessly into your wedding festivities
- Comprehensive budget planning and tracking of deposits, balances due, important dates, etc.
- Reception layout and seating arrangements
- Perfectly curating vendor partners that best fit your wedding vision
- Everything from the Wedding Day Management Package

Starting at \$14,000. Pricing may vary based on date, location, guest count, etc.
