

OVERVIEW

This selection is for couples who don't want the fanfare and fuss but do want to celebrate in style and capture that elation for years to come. Insider Tip: Any elopement feels twice as spontaneous when some of the key moments are handled by a professional.

DETAILS

Even when you bypass the big, fancy wedding, the planning still adds up. This package is for couples who don't want the fanfare and fuss but do want to celebrate in style and capture that elation for years to come. Insider Tip: Any elopement feels twice as spontaneous when some of the key moments are handled by a professional.

- An officiant for one hour to legally marry you at the location of your choice
- S&Company to photograph for up to 2 hours to capture the first look, vows, portraits, family photos or whatever else might be important to you on this day
- A floral bouquet and a boutonniere, or if you prefer 2 bouquets or 2 boutonnieres for same sex couples from Elise Floral
- A 6" celebration cake from Cheshire Baking Company
- Professional hair and makeup, per the current guidelines
- Pink Olive Events to plan and coordinate it all for you!

Additional services are available upon request and for an additional charge. For example:

- Limo service
- Catering
- Decor
- Additional desserts
- Musicians/DJ
